Audio/Video Ministry Team

We are in need of two more people to serve on the Audio/Video ministry team. Serving will be set up on a rotational basis, allowing those that currently serve and will continue to serve to not be tied to it every single time we gather. Some basic technology skills are helpful in serving in this area, but the team will help you learn everything you would need to know to help serve. This is a vital area of ministry for our church.

See Bro. Corey for details or email corey@greensburgbaptist.com.

Please pray and consider this and many other places the Lord might have for you to serve at Greensburg Baptist Church.
